Hospice Day is your annual opportunity to support Highland Hospice in making a lasting difference. Thanks to the match funding provided by local charity Heather's Heroes every penny you donate* or raise** in the lead-up to or on 26th March 2026 will have **DOUBLE** the impact.

The theme of Hospice Day 2026 is '**Privacy, Dignity, Care**' and our aim is to raise funds to **help create more single rooms at Highland Hospice.**

The amazing support we receive from our community is what allows us to offer the best possible care to our patients and their loved ones at the times it matters most.

Any amount you raise, no matter how big or small really does make a difference - double the difference this March.

- **Get together and Wear Yellow while making a donation**
- **Hold a Bake Sale**
- **Organise a Quiz Night**
- **Hold a Raffle or Lucky Squares competition**
- **Or do your own thing**

I am happy to be of help with your fundraising in any way. Please contact me to arrange any posters, Hospice t-shirts, collection buckets or cans.
